ORDERING GUIDE

2024-2025  
FOR FITTING DAY USE

## **Welcome to the Leaside Flames**

### **2024-25 Parent & Family Ordering Guide**

This Guide is intended to help you become familiar with the 2024-25 Leaside Flames uniform and apparel line-up as you and your team prepare for the upcoming season.

Your coach and/or manager will let you know what apparel and/or equipment is required by your team. They will also let you know what items are covered in the team budget.

Having made a Leaside team, you may purchase any of the gear and equipment shown here. Our staff can help you select and/or size the items you need. Please just reach out.

# Questions We're Often Asked (FAQ's)

## When will our uniforms and apparel be completed?

Items ordered before June 10 will be completed for **GTHL teams by August 30<sup>th</sup>** and will be completed for **Select teams by September 15<sup>th</sup>**.

Please see '**Summer 2024 Ordering, Pricing and Delivery Notes**' in this guide for more information on other order & delivery windows

## Why does it take so long? We order in the spring and don't get until September.

At this time of year it's basically 'volume'. With 44 competitive Leaside teams (660+ players, 1200 uniforms and over 2000 pieces of apparel) we need time to order, produce, check it, pack it and get items to your manager.

We gain cost-efficiencies by conducting the work in stages. This allows us to pass on lower prices to you, but that also takes time. Finally, jersey production is extremely detailed work, customizing back numbers, name bars, arm numbers to each size jersey and reviewing each garment 3-4 times.

It's all manual, time consuming labour with many teams to ready. Wonderfully most of the gear/kit is not needed until mid-late September.

## Why are hockey jerseys/apparel more expensive than other sports?

They are more expensive due to the higher quality and weight of materials needed for this winter (occasionally hard-hitting) sport. Hockey jerseys are much larger than basketball or soccer jerseys and require many more 'panels' to accommodate equipment (to full arm/wrist). All of that takes time & \$\$\$. There is also a ton of detailed customization on each jersey (such as back numbers, arm numbers and crests) all of which take time, attention, materials and labour to create and apply.

Every two years, Millwood provides the LHA Board with alternative jerseys options (for cheaper/variously priced jerseys). The LHA Board reviews and approves jersey construction and pricing (not Millwood on its own).

## Why are Leaside uniforms and apparel more expensive than other organizations?

This is not the case. Two things:

1. **Leaside parents pay for jerseys ONLY when you need them, not EVERY year.**  
This was, you save hundreds/thousand of dollars over time being a part of Leaside.

Almost all other hockey Associations purchase 2 sets of Game Jerseys and socks each year (~\$250-\$300) and 'buries that cost' into player annual registration fees. Every year. About 10-years ago, the LHA Board decided to make purchasing

## (Page 2)

uniforms a parent's decision so jerseys and socks could be used over multiple years/children ... saving parents thousands of dollars.

It may feel expensive to lay out \$200-\$250 for uniforms every 2-3 years but you're doing so transparently and only when you need it. If you have multiple kids, you can reuse your jerseys multiple times.

### 2. Here's a price comparison from last year:

Item	North Toronto	Forest Hill	LPC Wild (GTA West)	Leaside Flames	Wildcats
Light Weight Track Jacket	\$80	\$60	\$63	\$70	\$75
Light Weight Track Pant	\$58	\$38	\$55	\$40	Not offered
Hoodie (with Heat Transfer)	\$65	\$40	\$54	\$45	\$53
Selfie/Sublimated Hoodie	\$76	\$80	Not offered	\$80	Not offered
T-Shirt	\$33	\$20	\$30	\$24	\$20
Ball Cap	\$33	\$35	\$33	\$33	\$25
Medium Hockey Bag	\$97	\$98	\$95	\$95	\$110
Game Jersey	See point #1 above. Two jerseys 'provided' (*paid for*) annually (expect same price as ->)			\$120 (as needed)	\$110 (as needed)

### Does the LHA receive any compensation for jerseys/apparel?

No. The LHA does not receive any compensation for jerseys/apparel.

### Are all items delivered exactly as pictured in Fitting Day' s and/or on-line?

No. But 95% of the time = yes. We do our best but sometimes exact materials are not available. In these cases, we make the nearest substitution using our best judgement so that we can get you player the uniform or apparel they want/need in a timely manner.

If we can't find a (very) near equivalent, we will call to get your approval first.

# Summer 2024 Ordering, Pricing and Delivery Notes

To efficiently manage production through a very busy time, the following **ordering and delivery windows** will be in effect for the summer of 2024.

**\*\* For orders placed outside of Fitting Days (May 2024 and Sept 2024) "Regular" pricing applies (+15% to prices listed in this Guide) as we are unable to gain production efficiencies with small orders:**

Late-June & early-July Orders	June 16 to July 12 via web-store	Regular	September 15*	We will prioritize Game Jerseys, socks and equipment for on-ice play (vs apparel).
Late-June & early-July Orders	July 13 to Aug 2 via web-store	Regular	September 30*	We will prioritize Game Jerseys, socks and equipment for on-ice play (vs apparel).
"August Orders"	August 3 to August 31 via web-store	Regular	Oct 15 - 30th*	We will prioritize Game Jerseys, socks and equipment for on-ice play (vs apparel).
CDS, Select & GTHL Fitting Days (U7 - U18)	Sep 1 to Sept 30 via in-person Fitting Days or web-store	Regular less 15% (as we gain production efficiencies)	November 15 - 30 to TEAM Manager. (Manager will distribute to families at team event)	We will prioritize Game Jerseys, socks and equipment for on-ice play (vs apparel).
* If we can get things to you sooner, we'll definitely try. See NOTES above				

**\*\* Once Club orders are fully delivered (end-September) we will resume fulfilling online orders on a **biweekly basis** - all season long!**
