

2024 CDS Festival Festival Format

3 games per team at Festival. Game follow rules and game play established for Competitive Development Stream and can be found here:

<https://sites.google.com/view/cds-hockey/home/rules-and-gameplay>

Please have players ready 15 minutes ahead of posted game time as games may start early.

Exact format may be different by "tier" based on number of comparable teams. U7/U8 will have 3 best possible matchups and game results to date. No scoring at U7/U8.

U9 will be a competitive format, however, all teams will still get a minimum of 3 games.

U9 round robin standings are determined as follows (with tie breakers):

1. Most points vs fully registered teams
2. Head-to-head result vs tied teams
3. Most wins vs fully registered teams
4. Lowest goals against vs fully registered teams
5. Goals for average $GF/(GF+GA)$ vs fully registered teams
6. First goal between tied teams
7. Coin toss

Overtime in U9 final games (excluding round robin).

1. 3 minutes 3-on 3 (sudden victory), must change on the fly in OT
2. If tied after OT, then there will be a sudden victory shootout (and players can't shoot more than once)
